FIGHT FIRE WITH FIRE!

In normal times, *sane* times, I would never consider advocating for gerrymandering: redrawing electoral district boundaries with the intention of political gain. But let's be clear. We did not start this fight, and if we want to have a prayer of ending it, we *must* fight fire with fire.

Congressional maps are generally only redrawn after the U.S. Census once a decade. But in July 2025 a power-hungry Trump looked at his party's sinking poll numbers and demanded that Texas gerrymander five new Republican-leaning districts to bolster his chances of holding on to the House in 2026. In August the new Texas congressional map was signed by Governor Abbott. Since then four more GOP states have revised their maps with the intention of stealing seats, and several additional states are eyeing similar moves, with Indiana being the lone GOP state thus far to resist the President's pressure and vote against his wishes. There is no doubt that political and financial retaliation for Indiana will follow—threats have already been made to pull federal funding from the state and punish anyone who voted against a new map.

Compounding this issue is a Supreme Court decision on race-based redistricting in Louisiana expected in June 2026. Given the conservative Court's history, odds are they will dismantle the Voting Rights Act further and pave the way for additional Republican seats across the South.

Thankfully, Governor Newsom took initiative with ballot measure Proposition 50 last November and brought the question of redistricting California directly to the people. The measure passed with a whopping 64% of the vote and expects to net Democrats an additional four or five seats. But so much more must be done to level the playing field and counter the greed of our would-be dictator. If you live in a Democratic state that is considering a path to redistrict—like Virginia, Maryland and New York—please throw your weight behind the representatives working toward that end.

You have seen how Republicans kowtow to their egomaniacal leader, allowing him to do whatever the fuck he wants, including invading Venezuela for oil, threatening to annex Greenland, eliminating due process, crushing rights to privacy and free speech, and the list goes on and on...

When our whole way of life is being threatened, we must fight fire with fire or risk losing everything.

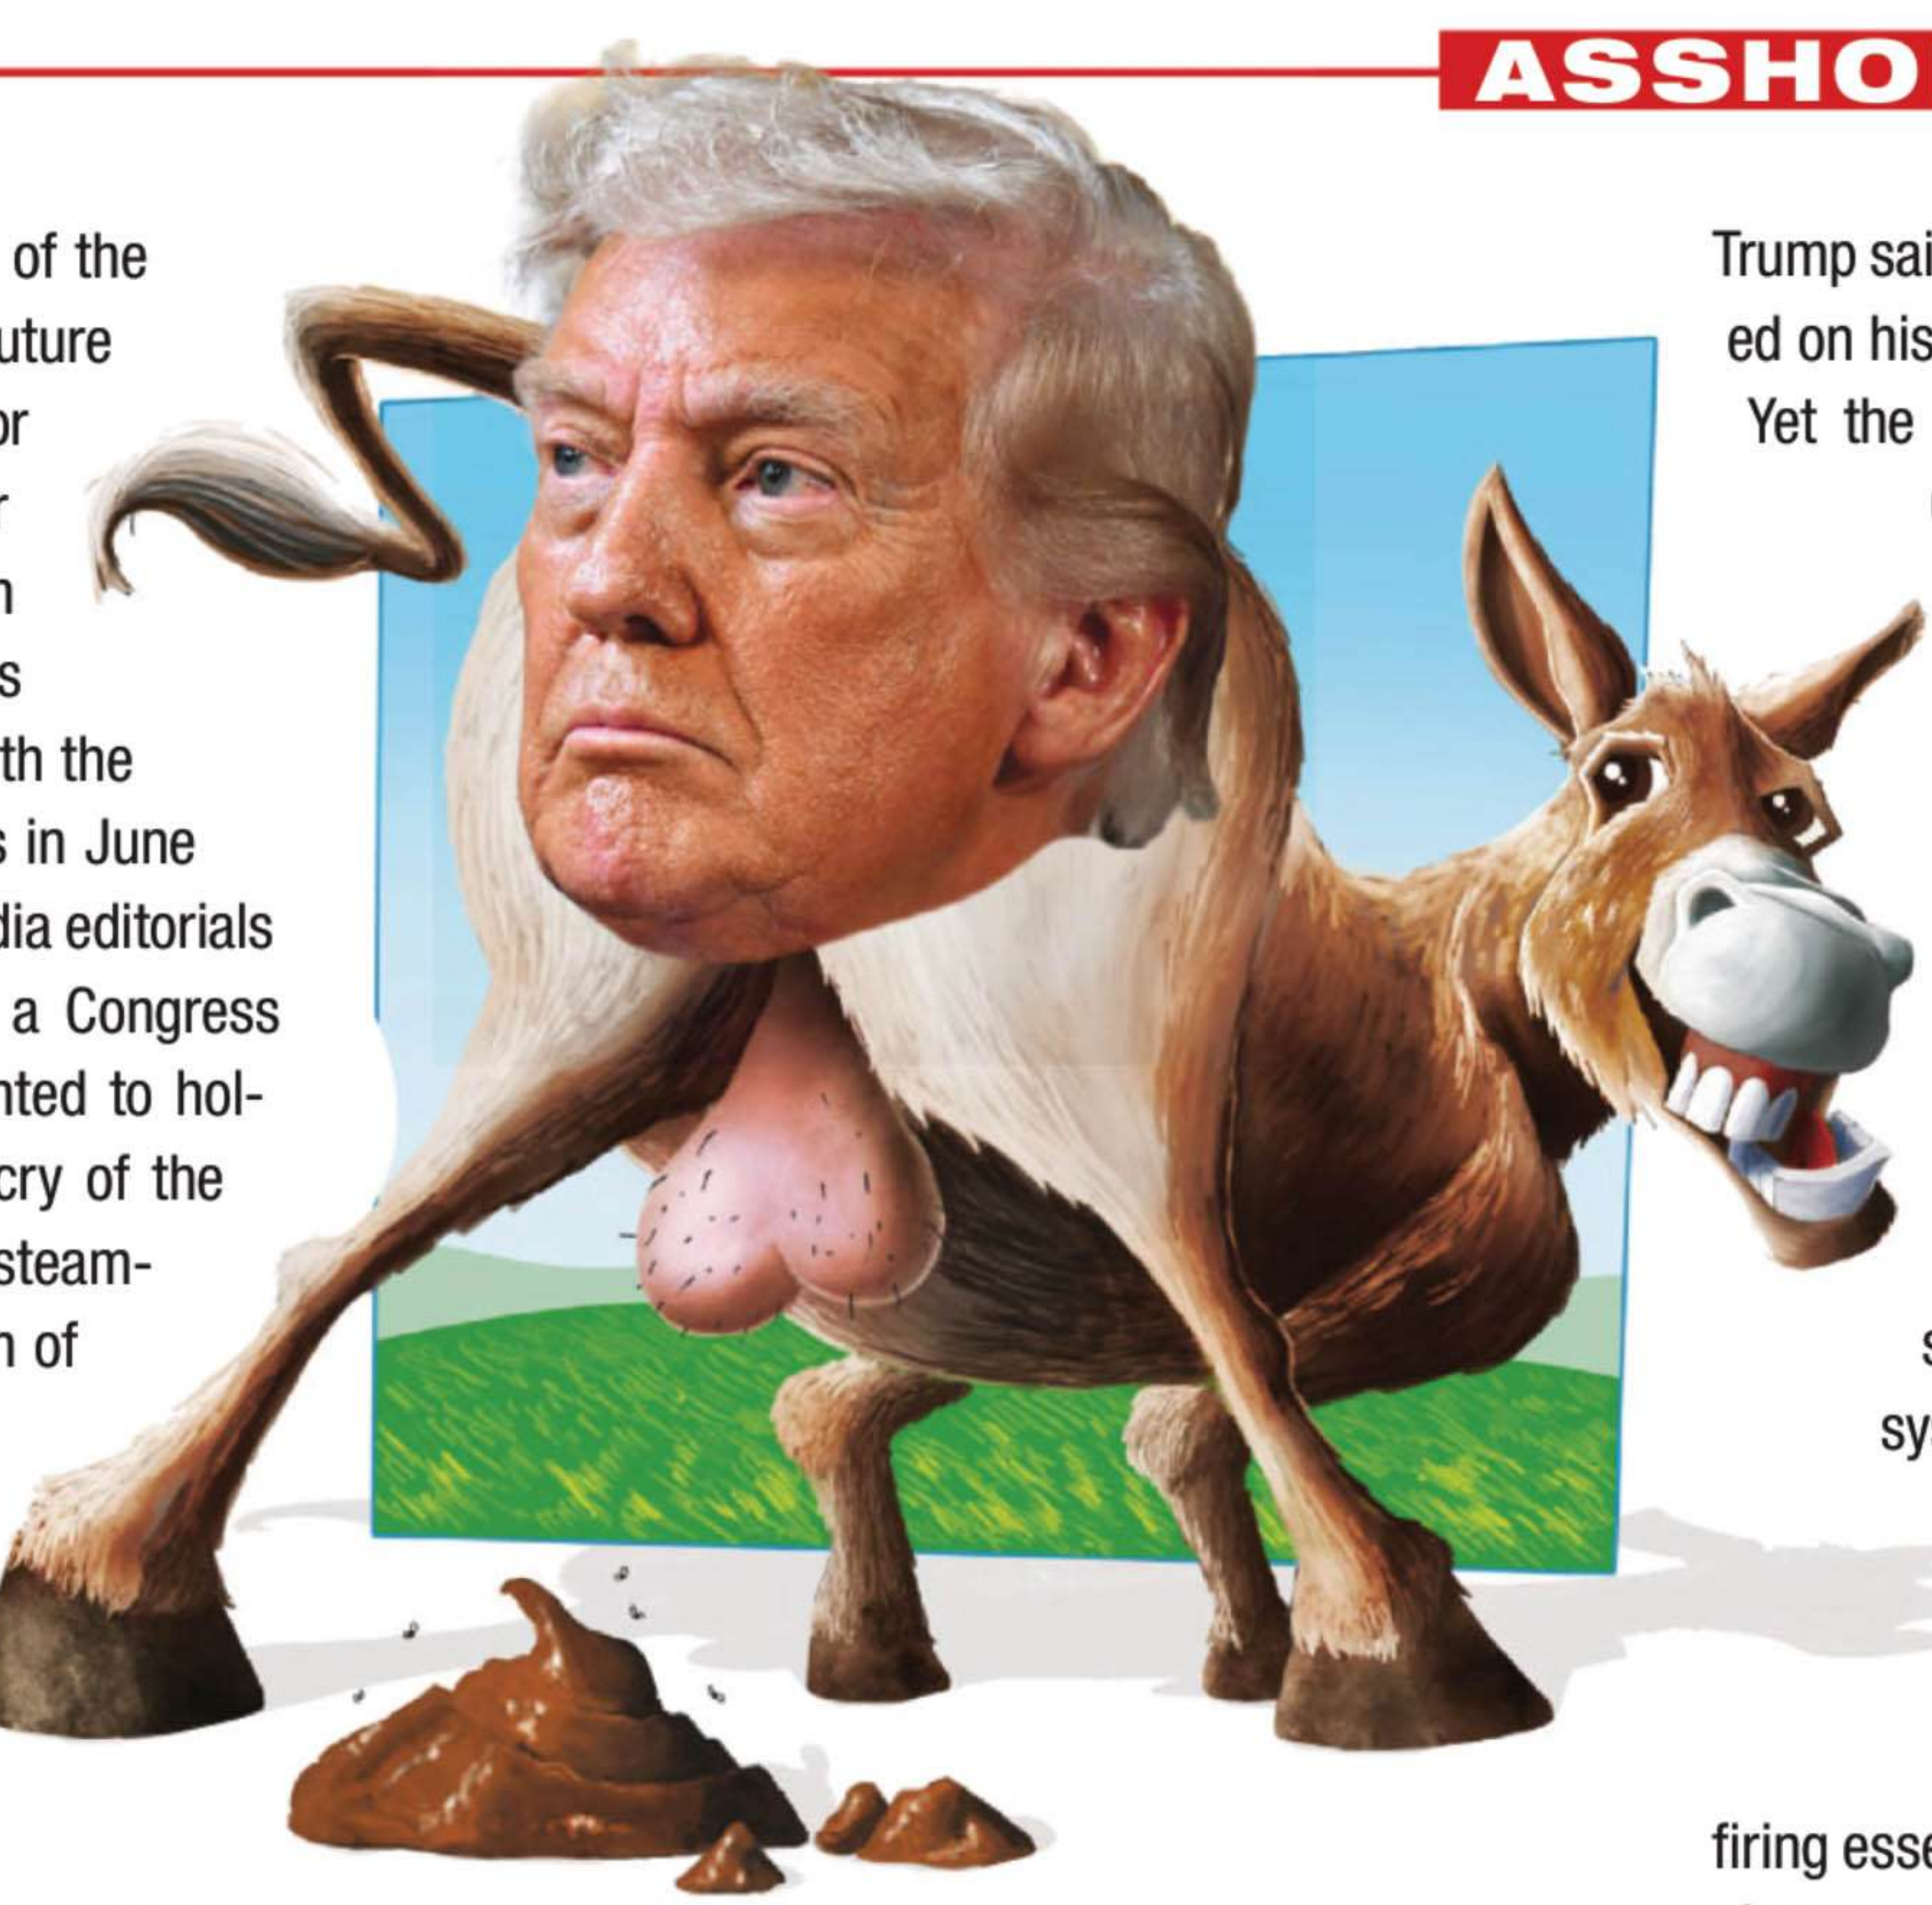
“Your son is extremely intelligent for his age. He does not believe in Santa Claus, the Tooth Fairy, the Easter Bunny or the Republican Party.”



DONALD TRUMP

After Trump's second invasion of the White House last year, the future had never looked grimmer for Democrats. Those who hold no power can only protest in the streets—which Democrats and aggrieved Americans of all political stripes did furiously with the massive, nationwide No Kings rallies in June and October. But this, along with media editorials and symbolic acts of resistance in a Congress monopolized by Republicans, amounted to hollering in a hurricane, the impotent cry of the vanquished as the Trump juggernaut steamrolled over one longstanding tradition of democracy after another.

Well, hang in there, America, because the gut-wrenching despair has finally started to turn into something like measured hope. After less than a year in office, Trump's net approval rating in 2025 plunged from +6 in January to –12 in December, a stunning 18-point decline, according to CNN's chief data analyst Harry Enten. The falloff is mainly due to independent voters, those largely responsible for Trump's electoral victory, who are now feeling disgruntled and betrayed to the tune of –43 points! The President is "hanging out with Jacques Cousteau. That is how far underwater [he] is with independents at this point," says Enten. And Indies are not the only supporters jumping the Trump ship.

Trump proclaimed himself as a champion of the "working class," workers without a college degree, the class neglected by the Democratic Party, which is basically what Bernie Sanders acknowledged. But while Sanders offered real solutions, Trump offered snake oil. But now his marks are starting to realize that they've been defrauded by a fork-tongued huckster. According to a December YouGov/*Economist* poll, Trump is underwater by –34 points with the blue-collar crowd (those earning $50,000 or less a year) as the costs of living that he promised to reverse have steadily increased under his watch.

A big part of that increase has been caused by tariffs shotgun-blasted against nearly every country on Earth, including uninhabited islands in the Pacific! Trump argued that we all must endure a little temporary "pain" as the tariffs panacea reshored American manufacturing and reduced our trade deficit, but how has that worked out so far? From January through September, the trade deficit, including goods and services, was $131 billion more than during the same period in 2024. And what about domestic manufacturing jobs? According to the Center for Economic and Policy Research, U.S. manufacturing employment was down by 73,000 year-over-year in November! His whole antiquated protectionist regime has been a colossal failure.

The Great Impostor gathered an army of Hispanic deserters from the Democratic camp in 2024 —43% voted for him nationally in the last election over 35% in 2020, per APVoteCast—but now they, too, are waking up to the con job. In March 2025, an AP-NORC poll found that 41% of Hispanic adults approved of Trump's performance, but that has since plummeted to 27%. Alejandro Ochoa, a warehouse worker in California who voted for Trump, expresses his remorse: "He was kind of relying on essentially the nostalgia of, 'Hey, remember, before COVID? Things weren't as expensive.' But now it's like, okay, you're in office. I'm still getting done dirty at the grocery store. I'm still spending an insane amount of money."

The cruel, extreme, racial-profiling deportation sweep is another reason for this disaffection, and it's not only Hispanic citizens horrified by scenes of plainclothes ICE goons dragging grandmothers and crying children into unmarked cars for transport to gulags. According to a July 2025 CNN poll, 59% of Americans oppose the indiscriminate dragnet of undocumented immigrants who have resided and worked in the country for years with no criminal record, and a separate public opinion survey from the Chicago Council on Global Affairs found 65% support a pathway to legal residence or citizenship for these responsible people. The Department of Labor has warned that the nation's farms are in crisis, with "immediate dangers to the American food supply" due to the dearth of immigrant farm labor. This crucial shortage, combined with retaliatory tariffs against American farm produce by foreign nations (especially corn, soybeans and wheat), vacillating federal farm support and higher production costs, are pummeling American farmers while adding another boost to our soaring grocery bills.

It's been more glittering fool's gold in foreign policy. Trump said the war in Ukraine would never have started on his watch and promised to end it in "one day." Yet the carnage continues unabated there and in Gaza, where he has allowed Benjamin Netanyahu and his far-right government to continue a genocide (recognized as such by Holocaust scholars and the UN Independent International Commission) with American weapons and no restrictions at all. When the International Criminal Court condemned both Hamas and Israeli officials for war crimes, Trump outrageously ordered that those judges be sanctioned. It's the same contempt he expresses for the judicial system domestically. When American judges have struck down Trump's unconstitutional excesses and dictatorial impulses—from illegally abolishing the Department of Education, to DOGE firing essential federal workers, to unprecedented deployment of the National Guard—he demanded they be impeached. "He's really planning a military, repressive force," said Princeton sociology professor Kim Lane Scheppele, "to go out into the streets of the places that are most likely to resist his dictatorship and to just put down the whole thing by force." Trump came close to admitting it himself in a cabinet meeting: "The line is that I'm a dictator," he said. "But I stop crime. So a lot of people say: 'You know, if that's the case, I'd rather have a dictator.'" No, you fucking idiot, we have been fighting crime for over 200 years without a sleazy Generalissimo in power, and crime rates in 2024 were at their lowest in decades!

Many of his zombie cult followers got a rude awakening when Trump flipped on divulging the Epstein files once in office, after making a big stink about them during the campaign. Absurdly, he tried to rebrand the whole salacious scandal as a "Democrat hoax."

This issue and many others—including his opposition to renewing the Affordable Care Act subsidies that will further put the screws to the working class by doubling health insurance premiums—caused even Marjorie Taylor Greene, one of his strongest supporters, to jump off the Trump train for good. Many others have wised up and done the same, like comedian/commentator Dave Smith: "I supported him... I apologize for doing so.... Donald Trump should be impeached and removed...his supporters should turn on him. It's [the unprovoked attack on Iran] an absolute betrayal of everything he ran and campaigned on.... He is going to lose his coalition over this."

For this turnabout, at long last, we can be thankful. But it's way too early for Americans loyal to our Constitution to rest yet. Mark your calendars today for November 3, 2026, and commit to voting Democrats into power in at least one branch of government! We have seen what our egomaniacal President is capable of in just one year. It's time to fight for our rights. It's time to say STOP! H

COME ONE, COME ALL

PHOTOGRAPHY BY

There are a lot of things I enjoy about being in porn, but honestly, the biggest one is probably the sex. I'm not a big thrill-seeker in my personal life. I don't have crazy hobbies, and I'm not much of a partier, so porn is where I cut loose. And, boy, do I cut loose! I get fucked by so many world-class dicks, it's incredible. And knowing that fans are watching and getting off to me is a major turn-on.

"I get plenty of sex in my personal life too. My husband and I are polyamorous, which has been awesome. At first, I admit, jealousy was an issue for me, but I really love it now. Watching him make other women come super-hard gets me really hot, and of course I get to have a lot of great sex with other people too. When it comes to fucking, the more the merrier—come one, come all!"

ROUGHING IT

LARRY FLYNT PRODUCTIONS

Prior to getting into the porn industry, I didn't have a lot of experience with sex. I had only been with three people! Which doesn't mean that I didn't get up to some crazy stuff. My wildest sexual experience was doing it behind a police station with my boyfriend—in broad daylight! We just went for it in the middle of the parking lot. Even now, I'm impressed with how ballsy that was.

"I'm definitely a fan of the rough stuff in the bedroom. Choking and hair-pulling are big turn-ons for me. I love being manhandled. Squeeze me like you're trying to pop me! Oh, and rope play—that's another major passion for me. When I see rope marks on my body, it makes my heart swell and my pussy drip!

"Outside of the bedroom, I prefer a partner who's sweet and kind and isn't self-centered. I don't want someone who thinks the relationship is all about him. But when we're in the sack, don't be afraid to take control. Work me up and dick me down!"

MIA

FLASH FORWARD

PHOTOGRAPHY BY HICKSPHOTO

I am so excited that my photos ended up in HUSTLER and that I got to be naked in an outdoor shoot," coos **Mia**, a dandy little newcomer from Florida. "I love being naked outside! There is something rather naughty about being in a public place, wearing little more than a smile. Plus, the way the breeze feels against my exposed skin has always been a turn-on."

Even more to our liking, despite an awkward first time, the lovely Sunshine Stater is up for alfresco sex "every chance I get!" Recalls **Mia**, "I've loved doing it outdoors ever since I lost my virginity, which was on a beach at night after my prom."

Mia goes on, "The sex wasn't all that great because the tide was coming in, and the waves kept licking at my feet while I was trying to focus on getting off. Since then I've done it in parks, woods and backyards, as well as on roofs of buildings and even on the hood of a car."

MIA'S VITAL FACTS

HOMETOWN: **Apopka, Florida**

AGE: **20** | HEIGHT: **5-1**

When it comes to cavorting with this hottie in the great outdoors or a more subdued love nest, a would-be Romeo definitely has to measure up. “My kind of guy has to be adventurous and willing to try anything!” Mia insists. “He should also have a voracious appetite for sex, because I need it all the time. Also, he needs to be okay with what I do for a living. Some guys can’t handle that.”

They’d better get used to the idea, since the sweetheart intends to stick around for a spell. “I really hope to have a long career as a nude model and maybe an adult actress,” Mia concludes. “I plan on doing this until people lose interest. After that I guess I’ll just marry some rich guy who’ll take care of me. We’ll just have to see what life brings.”

My background is a little different from a lot of other people in the adult industry. I started out in the gaming community on Twitch and got into porn from there. Getting into XXX turned out to be a great move—porn is less work than streaming, and some of the gamers aren't particularly friendly toward females. It's definitely nice to be in an industry where women are appreciated above all!

"I have my weird side, but people might be surprised at how traditional I am. I'm all about old-fashioned relationships in my personal life—I have to know someone and have chemistry with a person before I can feel sexually attracted to them. And my taste in men is pretty traditional. I'm into construction worker, factory worker and lumberjack types.

"Another thing about me is that I'm a big-time animal lover. I am constantly acquiring more dogs, and someday I'd like to open an animal sanctuary. In the meantime, I'm happy to make sure that my fans are well taken care of!"

MADDY SMITH
MADDY WITH THE FATTY

INTERVIEW BY T.S. FARLEY
PHOTOGRAPHY BY MARIUS BUGGE

PHOTO: COURTESY ACLU

MADDY SMITH IS A WILD AND CRAZY GIRL, FAMOUS FOR HER WILLINGNESS TO SAY JUST ABOUT ANYTHING. WHEN SHE'S NOT ROASTING AND RAPPING AT OTHERS ON *WILD 'N OUT*, SMITH SPENDS HER TIME AS A TOURING COMEDIAN, OPENING FOR ACTS INCLUDING BERT KREISCHER AND THEO VON, AND IS THE HOST OF HER VERY OWN PODCAST, *MAD HOUSE*. SHE PERFORMED TWICE LAST YEAR ON BYRON ALLEN'S *COMICS UNLEASHED* ON CBS AND IS NOW FILMING HER FIRST SPECIAL IN AUSTIN. THE CHATTY COMIC RECENTLY JOINED HUSTLER ON A NEW YORK CITY ROOFTOP TO DESCRIBE WHAT IT'S LIKE TO SLIDE INTO HER DMS, ILLUSTRATE THE FOLLY OF TRYING TO MATCH BIG BERT DRINK FOR DRINK AND EXPLAIN EXACTLY WHAT IT MEANS TO BE "MADDY WITH THE FATTY."

HUSTLER: I saw you perform live recently and watched some of your YouTube shorts, and let's just say, you do a lot of "tongue work."
MADDY SMITH: Oh, yeah. God, yeah, 'cause the mic is like a cock in my hand. Everyone's like, "Why all the talk about sex?" and I'm like, "It's in my hand! A cock in my hand!" I think I'm gonna have to go with a headset microphone, like Jim Jeffries or Ricky Gervais; otherwise. every two seconds I'm…[*gagging sound*]. It's a cock in my mouth or microphone jizz in my face. I go full prop, like Gallagher.

Delicate question: Is there any truth to the rumor you took the *Wild 'n Out* gig for some BBC?
[*Tentatively*] Big Black…

Cock! Wait! You're always talking BBC onstage…
I had to pretend to be shocked. Yeah, I took the job so I could get railed every night in the Best Western Inn and Suites down there in Covington, Georgia. Tyler Perry Studios—shout-out! But I'm a lady, you know what I mean? Gotta have a little innocence.

Uh, from my internet research, I…uh…
Oh, my God, does it say I'm a *man* on Wikipedia again? Someone's trolling me.

One site said you had a 42-inch bust!
What? That's like Sydney Sweeney. I have smaller titties than you [*laughing*].

The site also says you're mixed race?
Oh, yea, that is true. I'm part Puerto Rican. Nah, just kiddin'. The only mixed race I am is between the entirety of Wales, Scotland, Ireland, that area.

Does that explain your fondness for drink?
Drinking? No more drinking. Year and a half sober. My problem is, if I go to a party, I black out. Doesn't matter whose party it is. I can go a couple nights where it's like I'm okay, I can drink normally. Then next night, boom, blackout! I'm from Buffalo, a binge-drinking city. The college I went to, SUNY Geneseo, binge-drinking college. I finally stopped because I blacked out at Todd Barry's birthday party. It was at Beauty Bar on a Tuesday night, an 8 p.m. party. It was all the old guard of comedy. I'm not gonna name names, but you know, Todd and friends. I woke up the next day and said, *I can't afford to do this anymore.* Just flashes, flashbacks. My problem that night was, I kept my coat on, because in my head I said, *I'm not staying here for more than 45 minutes.* But I'm sitting at the bar, probably on an empty stomach 'cause I'm a white girl—shout-out! We white girls save all our eating for the end of the night. That's how we fast, intermittent fast—11 p.m. to midnight, eat anything you want. But I'm drinking vodka sodas, small ones so they go down quick. I'm chatting with Corinne Fisher, who I used to open for but hadn't seen in a long time. Then I'm talking to a guy I had sex with like eight years ago. I thought we had bad blood, so I'm trying to resolve that—

Tell us who?
No way. But after that party, I just had flashes of memories. I threw up; then I threw up next to a tree? Didn't get up till 4 p.m. the next day, threw up all day, couldn't get out of bed. Damage to the roof of my mouth from so much puking, and I spent the next five days recovering, physically and mentally.

I just thought, *I can't do this anymore*, but then the flashbacks are coming. The party seemed crazier than it was, 'cause when you black out, the memories are like a music video: boom, flashing lights, girls in the bathroom, coke in the bathroom—even though I don't really do coke… Thinking, *Maddy you were so funny, playing pool, riding the pool cue that night too, funny as fuck.*

Sure, I cried sometimes, but I was never not funny, which is why it took me so long to quit drinking. It was fun, but blacking out so hard my eyelids would be splotchy the next day, blood vessels popping. In every city I've lived in, every apartment I've lived in, I remember blacking out.

That seems troubling?
Troubling? Oh, yeah, it was insane. *Insane*. Obviously I don't condone that kind of drinking…but it was so fun with 50 to 60 comedians just getting blasted. New York Comedy Club, after the show, they'd shut the doors, everyone's smoking and drinking. Fireball was like my go-to, but it was tough. I would drink with Bert Kreischer—

Bert has you by like 150 pounds?
That was my problem. I'd try to match him drink for drink.

Six years ago you were interviewed in *Forbes* and today HUSTLER. Tell us how your career is going.
Yeah, let's talk about that progression, because what even was that *Forbes* thing? A little series on women in comedy, I think, and they played my first *Wild 'n Out* clip, where I pretended to be Ariana Grande receiving an award. I said, "I'm Ariana Grande, and thank you for the 'I Think I Forgot I Was White' award." But look at that progression, friggin' *Forbes* to HUSTLER. I think that's amazing. HUSTLER is way cooler, in my humble opinion. *Forbes* is business, entrepreneurs, money markets, real estate, sharks…

Tell us how a girl from Buffalo ended up making it and is now

hanging out with all the big names of comedy?
I used to go out and watch comedy every night. I moved to New York in 2015. The job I had in Brooklyn had no supervision, so I started going to open mics. I moved here from Upstate—Buffalo, really—they get mad if I say Upstate. But I was going to all these shows, doing open mics, and you can be anonymous here, so you can do or say anything.

Had you dreamed of a comedy career?
Yeah, when I was in college, I sent the Improv group an email. I wanted to audition. I didn't go 'cause I was too scared. But then I moved to New York City, and you're in the center. I'd be starstruck by even Stand Up NY, like Amy Schumer was there just four years before, and I was like, *Oh, my God!* It felt so old-school, like there's something alive here, but also something crusty-dusty underground. I got the last remnants of those spots in New York, the old-school vibes, and I'm here doing the same thing. Sounds great, right?

> **"SURE, I CRIED SOMETIMES, BUT I WAS NEVER NOT FUNNY, WHICH IS WHY IT TOOK ME SO LONG TO QUIT DRINKING."**

But you were working in asset management too?
When I was first here, it was like a year of doing open mics, some shows at clubs. But then I got this job in asset management, right next to Radio City, just as an administrative coordinator. I knew what I needed from this place was income and health insurance, until this little window opens for me to skedaddle.

Were you qualified for such a job?
If you're a 24- to 35-year-old woman in New York, you can get a job in finance, as a receptionist, an administrator, whatever. The boys in finance just trust women more with their calendars, I think. They want a lil' Momma around. Not to be unhumble, but I also felt in my heart that my comedy was going pretty well. I could feel it in my bones, and I had the feeling I would know when I know. That's what some older comedians said to me, "You'll know when you know." And they were also like, "Maddy, you're right there, so close to not having to go to this day job." I didn't share anything about myself at my day job; it was like a separate life. It was like *Severance*, like you go to work and don't remember anything about it and vice versa. I kept it all to myself for a whole two years. It was very tiring, and sometimes I was doing roast battles, 11 and midnight time shows, and I'm going to bed at 2 a.m., getting up at 7. It was a lot, and I was rundown, depressed, burnt-out, but on the weekends I was doing my dream career. Here and there guys would take me out on the road, which was a learning curve too. The road is different, 'cause all the NYC stuff you've done at The Creek and The Cave in Queens in front of all of your comic friends, you can bomb out in small towns. Just bomb. You do some VFW or something, some place on Long Island, and they don't know what's coming with your cocky ass. That's like the most existential I've been in my career… Makes you think, *Oh, I might suck as a comic.*

So did *Wild 'n Out* save you?
Yeah, it was right before COVID, 2019, which was kinda a depressive era. I might've been convinced during COVID to not continue in comedy, so *Wild 'n Out* was a good thing. It's not that I needed external validation, but when I got it, I felt, *Okay, I got this thing going, and I know the world is coming back, so…*

So how did the name "Maddy with a Fatty" come about?
"Maddy with a Fatty"? That's just my nickname, 'cause Nick Cannon started calling me that on my third season, and it stuck. It's about my ass, 'cause I have no ass, 'cause I'm a white girl. They're just hyping up the white girl…

Tell us how you landed the *Wild 'n Out* gig.
I was doing all these roast battles in New York. I did one at the Friars Club. One of my friends was writing for it and asked if I want to write on it too. It was for Gloria Allred, who was like the face of MeToo. Back in the day a lot of people called her a press princess, but she was *gooooood*, taking out all these men. And how funny is it that Gloria was shipped in to replace Harvey Weinstein.

At the time I was doing anything onstage, multiple sets a night, open mics, working from 6 p.m. till midnight, like all the other comics trying to make it. I was terrified of them, but I was doing roast battles too, at the New York Comedy Club, at The Stand. Then Comedy Central was looking for people for *Roast Battle*. Then I heard *Wild 'n Out* was looking for roasters and rappers. I figured, I watched the show back in high school, so I applied.

I knew I had a path for this because I'd done roasts, and if they wanted me to rap, I could give them one bar, two bar, three bars, whatever, as long as there was roasting within the rap. C'mon, I watched *8 Mile* once! [*Laughing.*] So their producers emailed and asked me to fly to Atlanta to see if I vibed with the cast. I thought aight and quit my job. I figured I would make that work, and if I didn't, I'd get another New York City job.

Did you have to twerk to get the job?
Early on I tried twerking, but then I was like, *Where the fuck am I?*

You ever get nervous about doing racial jokes?
No, they're funny and everyone laughs, so I don't get nervous. My first episode I did a rap. I said, "Hey, I'm sorry. I forget your names, I mix you up 'cause you all look the same…" It got like an "Oh, oh, oh," but everyone backstage was like, "Yo," shaking their heads yeah, yeah.

BREAKING
NEWS
I DON'T CARE!

I've been around every kind of person in this city, and I know it'll be good if I just be Maddy, be me. If you do roast battles, the guys are calling me autistic, slut, fat, white trash, so I'm gonna say the same thing, stereotypical, tongue in cheek. Just having fun out there.

Are there times you make those jokes and people are maybe laughing in the wrong way?

Yeah, yeah. Sometimes people, like some older white man, he'll go, "You dare say what we're all thinking." I'm like, "*Nooooooo*, you're missing the point." Sometimes there's too many Caucasians in the audience. But Black people are usually hootin' and hollerin'. It can be like I'm having an out-of-body experience.

You tell a funny joke about being a good girlfriend for blowing your boyfriend at the halftime of Sunday football games.

I am a Buffalo Bills fan, and I think it's cozy to watch the games in the fall. And if you have a boyfriend, he's probably watching the games on Sunday, so whaddaya gonna do? Guys don't feel things like women

> **I'VE BEEN AROUND EVERY KIND OF PERSON IN THIS CITY, AND I KNOW IT'LL BE GOOD IF I JUST BE MADDY, BE ME.**

do. Like at weddings, we're crying and guys are on their phone, tuning out, fiddling with their dicks. I'm not even a romantic person, but at every wedding I cry. I think that's the number-one reason, at least through a hetero lens, that men and women are totally different. If it was up to men, there would be no weddings. Like, what guy wants to do a first dance in front of his friends? None. But if I'm getting married and it's time to walk down the aisle, if the guy's not crying, I'm staying at the end of the aisle. He'd probably cry about his team winning the Super Bowl, but not for me? Suck a dick.

Did we hear you're filming your first special?

Yeah, filming at The Creek and The Cave in Austin. My podcast network, GaS Digital, is doing a 30-minute special with everyone.

Cool. We'll be looking for it. Any maybe you're up for *Saturday Night Live*?

Yeah, can you believe it? I'm up. Word on the street is, I'm up. Why would I lie to you? Really, I submitted, but I would guess between now and the time you heard that it's a no-go [*giggles*]. Now I'm triggered!

BREAKING
NEWS
I DON'T CARE!

Really, I have a new team of reps, and they seem to get that I'm the product. I'm more comfortable today with new members of a whole new team. A lot of them are women.

We're very supportive of women here…

Of course! I watch *Titanic* once a year. That's OG naked woman, the first legit naked woman I ever saw. I was like six years old. Kate Winslet! He drew her! That's a naked woman. Naked! Huge knockers. Huge! And then they did it in the car. They fucked. With her hand on the window. It was their first time, and they both came at the same time. Yeah, right. First time you have sex with anyone, it's like, "Hold on. Wait!" And then the guy comes when he wants, with me at least, 'cause my pussy is the shit.

But I heard you say onstage that your pussy's like a cat's tongue?

Yeah, I'm no longer on Lexipro, so now I'm like a Bernese Shepard down there [*slobbering sounds*]. Like an excited golden retriever, ya know what I'm saying?

Last question, but our readers need to know: You got a boyfriend now?

I have a lover. Yes, let it be known, I do have a lover, but I get a lot of offers in my DMs, like, "Please, I want to fuck you." I get a lot of sexual harassment online…uh, not harassment. Obviously, I'm just happy to have fans, but they'll be like, "I know that shit's pink." Shit like that. Dick pics, of course. The other day I got a full Black dick in a car, big dick. Stuff like that, but I say, if you wanna be my boyfriend, you gotta get in line. I get snatched up quick. I'm a catch. DMs are open, but I don't look a lot. After a show someone'll be like, "Great show," and I'll be like, "Thanks for coming," and he'll go, "So you wanna fuck tonight?" I'll be like, *Godmammit! Fooled again.*

ALICE VISBY

JUST WONDERFUL

PHOTOGRAPHY BY
LARRY FLYNT PRODUCTIONS

I picked Alice as a stage name because I'm a huge *Alice in Wonderland* fan, and my career in porn has definitely been wild and fantastic. I love working with so many other open-minded people; I am free-spirited and outspoken by nature, so this is definitely the environment for me!

"I'm submissive sexually and have the toy collection to prove it. Ball gags, collars, handcuffs—you name it, I love them all. Another thing that makes me wet? Anything to do with my neck. Kiss it, bite it. . .hell, even someone just breathing on my neck gets me hot.

"When it comes to pleasing my partners, I'll try anything, and I fully encourage others to do the same. How are you going to find out what really gets your lover off unless you explore it all? Put in the research, and you'll figure out the best way to make the person you're with come. Plus, you'll have so much fun experimenting along the way!"

WELCOME TO VOYEURS' FAVE AMATEUR SHOWCASE SINCE 1976!

BEAVER HUNT

EDITED BY MORGEN "TEX" HAGEN

SAMANTHA JOINER

A joiner comstructs the wooden components of a building, such as stairs, flooring, door frames and window frames. We're pointing that out because Samantha Joiner, 25, from, Aberdeen, Scotland, is a former joiner and carpenter. So why did the 5-foot-5, "happy, bubbly and self-confident" lass decide to join our world-famous Beaver colony? "I look *banging*," she asserts. Samantha's favorite pastimes include traveling, swimming, partying and clay pigeon shooting. As for her sex life, Samantha tells us, "I love sucking a cock, getting hammered doggy-style and having my partner shoot a big load on my face, tits or ass after I come. I'm an inviting target."

—Photos by Omnia Productions

"I absolutely love fantasizing about items on my sexual bucket list or reliving one of my unforgettable escapades as I bask nude in a hot tub with the jets hitting my clit."

Birthday Delights

For a fine eye candy interlude, here are five Beavers celebrating birthdays in March. "I'm an elegant, energetic free spirit who dances to the beat of her own drum," declared Danielle Jordan, a marketing director from Portland, Oregon. "I love showing off my bare body, and I really wanted to do it on a larger stage, worldwide. Thank you, HUSTLER!" Karol Lilien, a café manager from Roznov pod Radhostem, Czechia, boasted, "Girls from my country are sexy, beautiful and skillful at *all* things. That's why men around the world are so fond of us." Domina—a traveling burlesque dancer and stripper from Colorado Springs, Colorado—recalled, "After one of my friends was featured in *Beaver Hunt*, I decided to give it a try. I'm always looking for a fun time!" Jayln—a "fun, unique and over-the-top" performance artist from Las Vegas, Nevada—proclaimed, "I love expressing myself and being creative. I have always believed that the female body is a work of art from head to toe." Lili Marie—a popular camgirl from Yakima, Washington—remarked, "This is an amazing opportunity for me. I'm so excited to have the chance to be naked in HUSTLER Magazine. Hey, I'm just like your readers. I love looking at naked women too." Happy birthday, ladies!

DANIELLE JORDAN

KAROL LILIEN

DOMINA

NIKKI
MISTY

JAYLN

"I'm confident, sometimes shy and a little bratty. When it comes to sex, I'm bi, seductive, submissive and kinky. I love being eaten out, giving a guy head, eating out another girl and, my ultimate pleasure, creaming all over a big, hard cock."

LILI MARIE

CHLOE CHEVALIER

Chloe Chevalier, 22, from Marseilles, France, adores modeling au naturel. "Remember those Renaissance nude paintings?" the 5-foot-4 eye-catcher suggests. "Nothing superficial. Women's bodies have always been hot. I love showing off mine, giving people pleasure and making them forget about life for a while." Painting herself as "artistic, forthcoming and fun," Chloe goes on to reveal, "My favorite sex partners are older men and dominant girls with big boobs, tattoos and piercings." Chloe goes on to disclose, "I like being fucked doggy-style hard like an object. I swallow cum on request, but I'd much rather have a guy come in my pussy or juicy ass. My craziest sexual encounter, strangely enough, was riding my psychology professor's dick in a classroom. I was a very naughty university student, and drinking pee attests to my willingness to try just about anything off the wall."

—Photos by Tampa Steve

"My fantasies are being the best porn star and most popular dreamgirl in the whole wide world."
